About the Company

Founded in 1994, the Orlando Import Export Company 2001 was established based on the passion of its shareholders to discover and to offer all consumers the authentic and delicious flavors from around the world.

The investments made in the processing and packaging technologies, the innovative marketing strategies and the attention focused on the needs of end customers are the success ingredients of this company which currently is the market leader in packaging dried and candied fruits and one of the largest operators in the field of nuts and oilseeds.

for more information, visit www.orlandos.ro

The factory currently covers an area of 8,900 square meters and is in the process of expansion.

We honor our clients' requirements with considerable production capacity, consisting of 11 packaging lines, 2 ovens and large capacity three production departments dedicated, that can generate production over 100 tons daily.

Total (sqm)	2018 8900
Production area (sqm)	2,000
Storage area (sqm)	6,400
Offices (sqm)	500

Our achievements are built on a solid foundation of core values such as integrity, commitment to customers and the desire to be the best in everything we do.

The principles that guide us in business are the excellence and sustainable growth of the company.

We promote
a balanced
lifestyle

The quality and the product's safety are essential parameters for the sustainability of our business. Orlando is a ISO 9001-2000 certified company, IFS Version 6, ISO 14001-2004, ISO 18001-2007 having implemented the integrated Quality Management System.

The design of our packaging creates a strong visual impact while on the shelf, highlighting and enhancing the attractiveness of the brand exposed.

We want to always be the first choice of the consumers and to exceed their expectations every time, by combining a special taste with the joy of eating healthy. Orlando intended to meet the needs of the consumers with natural products, nutrient rich, truly delicious, brought from all over the world.

Partners

For over 22 years, we develop partnerships with all retailers in Romania, we are involved in international projects undertaken by them (Kaufland, Metro) and have national coverage in traditional retail.

On all four categories: dried fruits, nuts and oilseeds, spices and ingredients for confectionery, collaboration with our partners is based on presence in all store chains both our own brands Orlando's, Nutco Fresh and Oblio and develop Private Label brand.

The company's strategic directions are based also on: Expansion in industrial activity, directly targeted to all operators in the food production sector and related industries Developing trade relations with retailers in the international market. Today we have partners in countries such as Germany, Spain, Ukraine, Lithuania.
